Belize And Its People: Life In A Multicultural Society

Synopsis

The author looks at Belize and its people to provide a general picture of the country and its ethnic diversity and how different ethnic groups interact as members of a multicultural society. Some of the main subjects covered include group identity - Creole, Mestizo, Garifuna and so on - and the role it plays in determining relations between members of different ethno-cultural groups in a country which stands out probably as the most ethnically diverse in Central America. The work is also a general introduction to Belize from a historical and geographical standpoint and has previously been published under another title, "Belize and Its Identity: A Multicultural Perspective." Although it's written for the general public, some students and scholars may find it to be useful in different areas of study. It's well-documented with scholarly references and citations from many sources which go beyond the interest of the general reader and can even be used as a college text on Belize, providing useful insights into the complexities of a multicultural society.

Book Information

Paperback: 222 pages

Publisher: Continental Press (June 20, 2010)

Language: English

ISBN-10: 9987932215

ISBN-13: 978-9987932214

Product Dimensions: 6 x 0.5 x 9 inches

Shipping Weight: 12.6 ounces (View shipping rates and policies)
