## Customer Reviews

This is a must have if you're using the Waltz and Park textbook. But I recommend it no matter what textbook you have. The outline is very clear, very thorough, and lays out both Cal and Fed rules of evidence.

Great summary. It's better if you read the FRE before and use the book to make sure you understand everything. No need to make a summary of your own with this book

Super book. MVP of the law references.

Very good review, very thorough.

Fast delivery. Great study aid.
