You'll find everything from outrageous resumes to creative excuses for calling in sick. So whether you suffer from an e-mail gone wrong, an irritating coworker, or a dreadful boss, you'll see that laughter is the best medicine for all your work woes. A survey sent out to our contractors posed the question, "What motivates you to come to work every day?" One guy answered, "Probation officer." E. Hewitt One of the less difficult blanks to fill in on our job-agency application is "Position Wanted." One job seeker wrote "Sitting." Flo Traywick, Lynchburg, Virginia What do you call twin policemen? Copies. Tyler Meason My sister Angela was impressed by a job applicant's confidence. "How will you gain your coworkers' respect?" she asked. The reply: "Mainly through my misdemeanor." Gretchen Duff, Bethlehem, Pennsylvania My laptop was driving me crazy. "The A, E, and I keys always stick," I complained to a friend. She quickly diagnosed the problem. "Your computer is suffering from irritable vowel syndrome." Angie Bulakites My coworker at the hotel was miserable at his job and was desperately searching for a new one. "Why don't you work for your mother?" I suggested. He shook his head. "I can't," he said. "Her company has a very strict policy against hiring relatives." "Who made up that ridiculous rule?" "My mother." Doug Barilla, Milwaukee, Wisconsin

I burst into laughter so many times already, even though I'm only 1/3 way through the book. Every time I flip to a page randomly, there is always a joke that makes me laugh out loud. I originally thought I might not enjoy the jokes as much since they're all work-related; but I was pleasantly surprised. Sure glad I bought this joke book!

Laughter is the best medicine at work brings together all the best work related stories from Laughter is the Best Medicine. If you are like me and read Laughter is the Best Medicine before any other articles in Readers Digest, you will enjoy this book.

ever been at work and you looking at a co worker sideways and cross eyed because they said or did something that truly made you feel like you were in the twilight zone or something? well this book goes there and then some and it will make you laugh and take you down a certain memory lane. very entertaining and a good way to unwind and get some much needed laughter in.

If you like non-risky humor you will enjoy this from the Readers Digest. Any thing that makes me laugh is always highly rated. This may be my prejudiced and thus you should consider the source.

I greatly enjoyed this book. It provided humorous insights that kept me laughing continuously. It reminded me of how I used to scan Readers Digest magazines for this and similar sections.

Bought this on .com. The jokes are from Readers Digest and are therefore clean and not do put down people because of their race. I found most of them humorous, an enjoyable respite.

I love the jokes in Readers Digest & this is a great collection. Anyone who works will recognize many of these things happening. You will laugh out loud.

The best part of the Readers Digest for me. I enjoy reading something that changes my mood. Very

handy on the Kindle Fire.
