Customer Reviews

If you are an animal lover, some of these stories will make you misty eyed, some of them will make you laugh out loud. Some of them will break your heart and others of them will make you want to get off the sofa and volunteer your time helping animals. But most of all, these stories are heart rendering and good for the soul. This book is well overdue, and it's time we get a book like this on the market focused on animal rescues. Shanara/Summer
