Cengage Advantage Books: Essentials Of Business Law

Synopsis

No other text conveys such a passion for this profoundly important discipline. Delivering the material in their signature engaging style, the authors pepper their writing with a focus on human conflict that illustrates legal issues from the business manager's perspective. While more brief than traditional business law texts, ESSENTIALS OF BUSINESS LAW, 5TH Edition provides solid coverage of the core topics, especially contracts.

Customer Reviews

I really enjoyed this book. Rather than reading a whole bunch of blah, blah, blah there were lots of real case examples. The cases were interesting and some included well known companies. I would try to "skim" through the material, but I couldn't do it because I would become hooked with the material. Rental was in almost new condition. No highlighting or dog-eared pages. Will definitely rent again!

I needed it for class. Does the job to an extent. Nice summaries and easy to read. Enjoyed reading it.

It is your average textbook. Was new and still in wrapping and shipped on time during the busy start of the new semester. Can't say much else.

I needed this book for a class I was taking, but when it arrived I noticed that it was tearing at the seams

I really like the style of this book. It doesn't read like your typical textbook.

One of the best textbooks I have used, very efficient and easy to read.

Easy to read and understand, written very well.

Great rental condition and easy to return!
