# Police Oral Board Tactics Manual: Deconstructing The Oral Board Process

## Synopsis

The 2nd Edition of this very insightful manual delves deep into one of the most important components of getting hired as a Law Enforcement Officer today; the Oral Review Board. This manual not only sheds light on the often very secretive society of police but more importantly cracks the door open ever so slightly to give the reader that edge, that one little extra push required to make it in the field of Law Enforcement today. There is so much more than just questions and answers given in this book. It's the How's and Why's and the Tactics that are shared that make this manual a necessity for anyone serious about getting into Law Enforcement and for anyone preparing for their Police Oral Review Board. This 2nd Edition shares 45 of the most asked Police Oral Board Questions and delivers the Answers in a very descriptive format.
