# Problems And Materials On Debtor And Creditor Law, Fifth Edition (Aspen Casebook)

## Synopsis

Clear-cut and student-friendly, *Problems and Materials on Debtor and Creditor Law* offers an appropriate mix of problems, text, and cases to build a solid introduction to the Bankruptcy Code, statutory rules, and issues of bankruptcy law. The popular problems approach helps students focus on practical "nuts and bolts" of the law as it is applied in practice. Carefully chosen cases demonstrate how the bankruptcy system works and reflect recent developments in bankruptcy law. The text's sensible organization and manageable length allows instructors to tailor coverage to their own approach. The Fifth Edition addresses the "means test" determining eligibility for basic bankruptcy relief in a new way, explaining that most attorneys rely on computer software to do the calculations. New cases and analysis support the discussion. Expanded treatment of Chapter 9 Bankruptcies coincides with the increasing number of cities going into bankruptcy. The discussion of involuntary bankruptcy has been significantly cut back. New Supreme Court cases have been added as well as some important lower court decisions--for example, the circuit courts--agreement that financing of "negative equity" on a traded-in vehicle as part of the purchase of a new car qualifies as a "purchase money security interest." A new segment on the treatment of "hostage value" collateral in consumer loans explores various possibilities under both the Bankruptcy Code and Article 9 of the Uniform Commercial Code, and looks at the difference between the "transformation" rule and the "dual status" rule. Features: clear-cut and student-friendly--with an appropriate mix of problems, text, and cases solid introduction to the Bankruptcy Code, statutory rules, and issues of bankruptcy law popular problems approach--focus on "nuts and bolts" of law as applied in practice carefully chosen cases demonstrate how bankruptcy system works up-to-date--reflects recent developments in bankruptcy law sensible organization--allows instructors to tailor coverage to their own approach manageable length--concise, efficient, and effective format Thoroughly updated, the revised Fifth Edition presents: unique discussion of "means test" determining eligibility for basic bankruptcy relief explains that most attorneys rely on computer software to do the calculations new cases and analysis support the material expanded treatment of Chapter 9 Bankruptcies, as since cities filing bankruptcy grows more commonplace coverage of involuntary bankruptcy scaled back new Supreme Court cases important lower court decisions, e.g. financing of "negative equity" on a traded-in vehicle as part of the purchase of a new car qualifies as a "purchase money security interest" new segment on the treatment of "hostage value" collateral in consumer loans explores various possibilities under both the Bankruptcy Code and Article 9 of the Uniform Commercial Code looks at the difference between the "transformation" rule and the "dual status" rule

## Book Information

Series: Aspen Casebook

Hardcover: 640 pages

Publisher: Aspen Publishers; 5 edition (March 27, 2013)

Language: English

ISBN-10: 1454822481

ISBN-13: 978-1454822486

Product Dimensions: 7.6 x 1.3 x 10.5 inches

Shipping Weight: 2.5 pounds (View shipping rates and policies)

Average Customer Review: 5.0 out of 5 stars [See all reviews](#) (2 customer reviews)

## Customer Reviews

Having Professor Whaley as my instructor might have been an advantage, but this book is different from any of my other course books in law school. Sure, there are your usual cases and case law, but Whaley presents the reader with real life problems that a debtor, creditor, or attorney in this area might end up facing. It defiantly makes you think about the law and apply it in a way that many other law school courses don't. Makes the material easier to understand and remember. Definitely, highly recommend this book.

As described. The book has a lot of notes from the previous owner - which can be helpful - but there is no damage. Please with my purchase.
