The Book Of Senior Jokes: The Ones You Can Remember

Synopsis

A collection of the finest, funniest, and sauciest jokes about age and aging; here, at last, is a book guaranteed to make anyone laugh incontinently. Jokes from such "senior" luminaries as George Burns, Winston Churchill, Joan Rivers, Dorothy Parker, and many more fill this delicious companion to *The Book of Senior Moments*. Growing older is unavoidable, and there's only one solution. As your physical attributes drift southwards and your mental powers head for the hills, remember—and it's certainly difficult, given that you likely can't remember where you parked your car and you're currently addressing your youngest child as "Thingy"; that laughter always helps.

Customer Reviews

Good senior humor, not the old put downs found in some other books. Funny stories about life's experiences by us folks who just happen to have a few more birthdays than some others. I will be telling some of these to my friends and possibly telling them on myself; this book has some great material. If I could stand up long enough to be a Standup, I'd have a plethora of material. This would make a good present for anyone over 50 and a good read for those related to those persons.....did I say that right?

Very disappointed in this book. I direct a senior drama group and need "senior" jokes as fillers between comedy sketches. Unfortunately at least 2/3 of these jokes have to do with sex or bodily functions and would be quite inappropriate for my our audiences.

I bought this for my brother-in-law to take on vacation to fill in the dull times and it worked. in fact, Every time I go over there he has totell me about his latest favorite. He takes it to work and reads it to everyone at lunchtime; he and his book have become very popular!Very entertaining, though a few I thought were a little too personal; a joke about Viagra comes to mind... He likes it and that is what lwas hoping for when I chose it.

Got this book for my Father in Law for his 60th Birthday for some what of a gag gift due to the title. He can't stop telling us jokes he loves the book and some of the jokes has brought him to tears

Recipient is a real joke teller, to the chagrin of his family and close friends, and I figured at this birthday juncture, perhaps he had run out of good ones... His wife later told me, "Ed loves the book... me, not so much" :o)

Bought this for my Mom. She has read and reread the book and told me several of the jokes. Seeing as it was a gift for her, and she really likes it, it's a five-star buy in my book!

This book was very funny and entertaining. The only reason I didn't giveit 5 stars is because it has some of the same material as the other book--"Seriously Senior Monents."

Some of the jokes are a little in bad taste but most are cute or funny and you will get a lot of chuckles from reading this book.
