GDP/11e Online Software Registration Card

Synopsis

Gregg College Keyboarding and Document Processing (GDP), 11e by Ober, Johnson, and Zimmerly: Your complete learning/teaching system. Your guide to success. GDP/11 is an integrated keyboarding system designed to process and score documents created in Microsoft Word. Together, the book and software systematically lead students through each lesson to provide an easy path to success. As a solid product for over 50 years, this version of the GDP software has grown into an online functionality. The same program is now web-based with seamless updates to provide greater accessibility for use at home, in class, and in labs - perfect for distance learning! Strong enhancements to the book while maintaining key elements including integrated language arts (starting at lesson 21) support the cohesive program's strong content. Skillbuilding is reinforced with MAP+ (Misstroke Analysis and Prescription). MAP+ is an individualized, diagnostic tool that is built into the software to help identify student's strengths and weaknesses while providing prescriptive drills to help them practice where they need it most. Also, MAP+ now has new, unlimited drill lines that begin at Lesson 1. Additionally, GDP/11 automatically scores for keyboarding errors and now formatting errors too! As a result, instructors will appreciate the customization of course management tools in GDP/11, including the new GPS (Grade Posting System) which allows complete flexibility in setting up grades. GDP/11 your complete learning/teaching system. Your guide to success.

Customer Reviews

Yay! The real thing! FYI, these access codes are supposed to be useful for up to one-year after

activation. This I did not know.

I was scared to purchase this item, even though is trustworthy. I was told by some people that used Registration Cards were being sold online and did not work! This one actually does, so don't be afraid like I was.

Excellent item as described, unopened unused product. A requirement for my class, a supplement to the text which I purchased separately, though the erect is included in this resource. A+ seller , speedy shipping.

This was exactly what I needed for my class. It was unopened and it came right on time for my class, for which it is absolutely required. It also came at a very reasonable price as opposed to the website price ($75!). I saved alot of money! Thank you.

Was brand new as stated, received when expected and was exactly what I needed! Thank you for your excellent service! Would use again!!!!
