Legal Terminology (Quickstudy: Law)

Synopsis

Not sure about the meaning of a word? Want to find out what a phrase entails?

The perfect study aid for law students and the ideal quick reference for legal professionals, this up-to-date, comprehensive 3-panel (6-page) guide provides the most commonly used legal terms complete with fluff-free definitions in an easy-to-read A-to-Z format. Including such need-to-know terms as, affidavit, defendant, estoppel, juvenile, quid pro quo, res ipsa loquitur, zoning, and more, this guide proves beyond a reasonable doubt why QuickStudy is America's #1 legal reference chart!

ISBN-13: 978-1423205418

Product Dimensions: 8.5 x 11 x 0.1 inches

Shipping Weight: 8 ounces (View shipping rates and policies)

Average Customer Review: 4.7 out of 5 stars See all reviews (26 customer reviews)

Best Sellers Rank: #34,649 in Books (See Top 100 in Books) #3 in Books > Law > Dictionaries & Terminology #13 in Books > Law > Business > Reference #22 in Books > Law > Law Practice

Customer Reviews

We own a series of Quick Study guides. These guides are clearly not a substitute for 500-page study books, but are generally very useful quick references. We routinely consult the Quick Study guides when we need to write something with a legal slant, on a scientific topic, or merely a flawlessly punctuated document. This is a generic review, as one could always argue what each Quick Study guide should contain or shouldn't contain. As a general, basic reference, the sturdy guides are excellent, well-organized, and concise.

I am not an attorney, but I find this quick study guide useful. For those of us that deal with forensics and thus, by default, the law, it's almost a must have. Beats packing around Black's Law Dictionary, unless you need something to stand on in order to reach the top shelf. I find it very handy to use whenever I forget the meaning of some esoteric Latin legal phrase and do not wish (or simply

cannot access) a legal/Latin dictionary. True, there are various simplistic definitions included with the tough ones, but they don't take up much room. You will like it if you wish to spare your memory being all cluttered up with legalese, and instead making room for more important things - like the English vocabulary.

and practice daily as well as learn other terms that I had not truly grasped before. I would recommend to beginners and intermediate

great for students on the go that are taking a legal class and is helpful in other areas because it has the terminology needed

I keep this in my book bag. The key terms are very useful within my legal classes. It's very handy to turn to this nifty little chart for a definition of a term.

Thank you for product that will help me in my fall classes. I will check back for more as my studies change.

Very Interesting Chart, lots of information packed into one form of illustration! I look forward to using this in the next term of Paralegal studies.

Nice overview of legal terms for a newbie attorney or paralegal. Quick reference and concise definitions and terminology.
