Sweet 'Stache: 50 Badass Mustaches And The Faces Who Sport Them

Synopsis

I am personally offended by this book because my mustache wasn't included. However, I endorse it because I am, and always will be, a huge fan of Tom Selleck's 'stache.??Meredith Vieira, The Today ShowIf a man has a mustache, it's hands-down his most distinguishable facial feature. Whether it's a handlebar, pencil-thin, fu Manchu, toothbrush, or horseshoe?it's how's he's identified and described. This book recognizes this fact and celebrates the most famous mustaches?and the faces behind them. From politicians and ball players to pop stars and actors, this book covers them all with wit and humor. Authors Jon Chattman and Rich Tarantino have provided profiles and 'stache-analysis for the forty-nine men and one woman who made the cut. (One can't count out Frida Kahlo's artistic bigote!) It also includes sidebar lists that rank the top 'staches in all sorts of categories as well as mustache trivia and a timeline that traces the facial hair's evolution. It's hip again to rock full on facial hair. And Sweet 'Stache is the guide for anyone looking to get in on the must-have mustache action.

Book Information

Paperback: 208 pages

Publisher: Adams Media (April 18, 2009)

Language: English

ISBN-10: 1440501440

ASIN: B004KAB6OA

Product Dimensions: 5.5 x 0.5 x 7.5 inches

Shipping Weight: 8 ounces

Customer Reviews

(Suggested backing track: "Facial Hair" by Kobi LaCroix.)Like many such books, there isn't a whole lot to this one; it won't be one of the great humor classics or anything. But it's a fun and silly little book that surveys some of the great stache wearers of our time, from obvious ones like Burt Reynolds and Charlie Chaplin to people you might not normally think of, like Dennis Franz. There isn't a whole lot to say other than that; it's one of those books that's good for an impulse buy and some quick laughs.I'm docking one star for picking Jason Giambi over Rollie Fingers though --

baseball's greatest handlebar deserved better than to be relegated to a "other famous baseball 'staches" list.

Jon and Ritch both have a great sense of humor, and this book shows it! they are silly and witty, and incredibly dedicated to mustache mania. If you're looking for a reason to just laugh, pick it up. It's worth it.

I got it as a prize option for my sons birthday party and i wanted to add something an adult my pick instead of a toy and surprisingly enough the kids were arguing over this book. it was easy to read and had a lot of fun facts

After two books about WW2, it was time for some light reading. My old friend and pop culture muse Jon Chattman has co-authored the new book 'Sweet Stache, available at . It is the definitive guide to the power of mustaches in our pop culture. Chattman and his collaborator Rich Tarantino have compiled a list of the 50 most influential mustaches from all walks of public life. What made this such a fun read was the diversity of both the types of mustaches represented and also the people sporting them. How else could Walt Disney be linked to Gandhi linked to Larry Bird linked to Yanni? Only through the mystique of the stache! Each write-up has some interesting trivia about the person and their fuzz too. Additionally, through the use of bonus lists, almost every famous stache imaginable is included. Except one. The omission of Watergate burglar Gordon Liddy's virile mustache was disappointing. But Sam Elliot's bert landing a perfect 10 redeemed the book! This is a very fun read.

Great book . Small sections on people with moustaches from pop culture . Each section give you a nice little chunk of info about that person , a lot of which I never knew ! And all the top moustache lists are perfect !

Bought this for my 14 year old son that is obsessed with moustaches, he really loves it! I flipped through the pages when I received it...pretty funny book!

it is what it is. i found this book fun and i think it would make a great gift. my friends get a kick out of it when they see it.

As I said previously, this was a part of the hubby's stocking stuffer/gag gifts; all of which were moustache-themed. He loved it.
