# Mediation: Empowerment In Conflict Management

## Synopsis

Mediation continues to grow as an alternative process for conflict management. Many organizations now allocate resources to full-fledged mediation programs. The Second Edition of *Mediation: Empowerment in Conflict Management* is the perfect tool for individuals interested in obtaining the skills necessary to become certified mediators. The text's brevity, clarity, and directness make it appropriate for use in college classes and community training programs. It can be adapted to any number of training approaches. This concise volume is guided by a clear set of theoretical principles that provide an ideal for mediation in our society. Power issues are emphasized as a focal point in identifying and understanding the process. Mediation is explored as a dispute resolution option that allows conflict to be an opportunity. Special emphasis is given to the use of effective communication in mediation.

## Customer Reviews

Useful information, needed this for a mediation class in school

Almost everything you could want to learn about the basics of mediation is in this book. From an

introduction to conflict management to the process of a mediation session, this book covers it.

Very easy read. Easy to understand and appreciate. The writers did a remarkable job explaining the concepts. They also provided examples.

Use for class but not in depth enough to use as my text. Will help in writing my own text.
