Rescue Of The Danish Jews: Moral Courage Under Stress

Synopsis

"An immensely valuable contribution. As the last generation of witnesses to the Holocaust testify to its horrors, they must also testify to its heroes - those who risked all to save lives. These movingly told stories restore our faith in the human spirit."#151;William Shirer "The mystery of the rescue phenomenon will probably always elude us. As the rescuers' narratives in this remarkable volume show, the acts of saving Jews seemed spontaneous and natural, and thus the mystery of the rescue act begins to unravel radiantly. The insights which this interdisciplinary collection of essays subtly pieces together show in unique fashion the preconditions, or the possibilities, of individual and collective courage." #151;Dennis B. Klein, author of Jewish Origins of the Psychoanalytic Movement A distinguished group of internationally known individuals, Jews and non-Jews, rescuers and rescued, offer their enriching first-person accounts and reflections that explore the question: Why did the Danes risk their lives to rescue the Jewish population?

Customer Reviews

Why were we not taught about the amazing national acts of personal heroism and group passion to save their fellow Jewish citizens during WW2? This 207 page book combines articles by historians and Jewish leaders with personal narratives of daring escapes to neighboring, supposedly neutral Sweden. The underlying theme is one of profound Gratitude of ordinary Danish citizenry, who had incorporated Jewish immigrants into their society#151;who insisted to the Nazis that there was no #151;Jewish Problem.#151; • We sympathize with decent Danes who had to choose between passive resistance or overt actions of resistance--which put their livelihood and their very lives at risk. Topics

include: an overview of reasons for Danish resistance and rescue, the history of Jews in Nazi-occupied Denmark, and a rabbi's history of Jews in Denmark in the 20th century. Five personal narratives of desperate flight plans and imprisonment are recounted by Jews of various ages: a teenage boy, an actor, and student. Creative means of resistance and sabotage were carried to an art form by democracy-loving Danes, who are praised for their moral courage which is unparalleled in all Europe. This fascinating volume concludes with a summary by Editor (and contributor) Leo Goldberger of the five major factors which resulted in the spontaneous underground uprising to rescue the Jews in Denmark. Excellent non-fiction about one of the darkest hours in modern history--which provides an opportunity for the light of humanitarian valor to shine.

"The mystery of the rescue phenomenon will probably always elude us. As the rescuers' narratives in this remarkable volume shows, the acts of saving Jews seemed spontaneous and natural, and thus the mystery of the rescue act begins to unravel radiantly. The insights which this interdisciplinary collection of essays subtly pieces together show in unique fashion the preconditions, or the possibilities, of collective courage." DENNIS B. KLEINPLEASE Note: Unlike what it says above, this book is available again. It is NOT out of print!
